Regular June Meetings

County Plans Improvements To School Teacherages

County councillors held their regular June meeting on Friday of last week with the School and Municipal committees also meeting on Monday and Wednesday.

One of the most important items discussed at the school and County meetings was the arrangements to provide further teacher housing in Mossleigh, Champion and Milo, with expenditures in Arrowwood, Brant and Lomond, to modernize existing teacherages. It is expected that the total cost will be approximately \$35,000. Work will start immediately in order to be ready for occupancy on Sept. 1.

School committee decided to ask tenders on the conversion of the Champion and Carmangay furnaces to natural gas and to install gas services to the teacherages only, for the present. Actual installation of gas heating would be effective in the schools at once and sometime in the future in the teacherages.

The committee decided to hold a meeting at the Armada School on Monday, June 29, to talk over the future of the Armada two-room school with the parents affected.

A number of resignations from teachers, were accepted with regret, among them being Mrs. Ruth

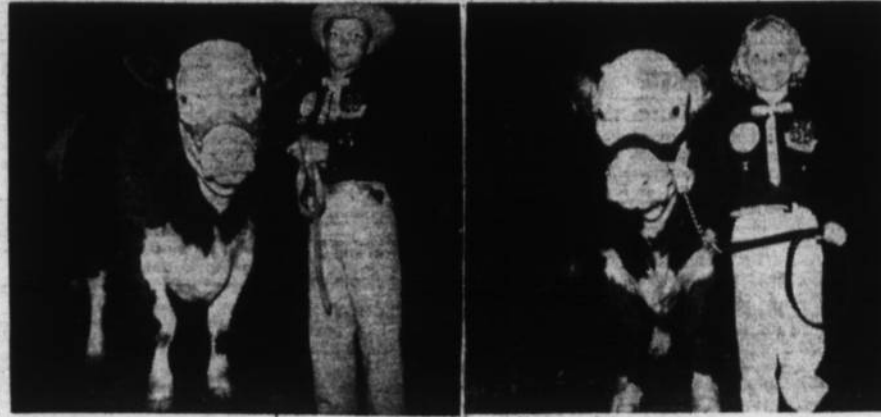

Herman, Mrs. Frances Anderson, Mr. and Mrs. Gregory Todd and E. Tyson.

The committee turned down an application from the Carmangay Lions Club to charter a school van to transport children for swimming lessons at Vulcan. It was pointed out that the vans are for school purposes only.

At the Municipal committee meeting reference was made to road allowances being littered with rubbish which should be taken to nuisance grounds. There are also large numbers of rocks and stones dumped on road allowances and these hamper grading and maintaining operations.

Word has been received that the Department of Highways has approved a special contingency grant of \$15,000 to improve the District Highway immediately east of the bridge at Lake McGregor on the Lomond road. This work will be done by the department this summer and will provide much needed improvements to the road up the hill from the valley.

The court of revision to hear complaints regarding assessments will be held in the County Office on Friday, Aug. 7, at 10:00 in the forenoon. Appointed to the court are Councillors McKay, McAllister, Hubka, Cutforth and Carlson.

Calf Show Winners

Twelve-year-old Brian Scobie is pictured above with his Hereford calf that was judged Grand Champion of the Pee-Wee division. The charming young lady with Brian is eight-year-old Marlane Lucas whose animal was Reserve Grand. Both Brian and Marlane are members of the Vulcan West-Ensign 4-H Club.

Repeat Winners (at right)

Repeat winners at the Vulcan District 4-H Clubs Calf Show and Sale are Linda and Nadine Arney of the Arrowwood club. Linda's Aberdeen Angus calf took Grand Champion and was later sold at \$34 1/2.

Arrowwood Takes Championships

Annual 4-H Calf Show Proves Very Successful

The district's junior farmers and ranchers took over the local rink and most of the town last Saturday when the second annual Vulcan 4-H Calf Club Auction Show and Sale was held.

Two sisters from the Arrowwood Club, 16-year-old Linda Arney and Nadine, a year younger, came back for the second year in a row to show Aberdeen Angus stock which won the Grand and Reserve Grand Championships. Linda took the Grand Champion and Nadine's entry was Reserve Grand. Both girls have had three years of 4-H Club work.

Seventy-eight boys and girls, from 8 to 18 years, dressed in the familiar 4-H maroon shirts, white ties, western boots and topped with white stetsons, had a memorable day parading their livestock before the judge in the morning, again before the buyers in the afternoon with time for a quick trip down town and among some of the Pee-wee clubbers the odd hay fight relieved the more serious parts of the day.

Club officials felt this year's run of calves showed much improvement over those displayed in the first show and in his remarks concerning the Grand Champion of the 1959 show, Judge R. Church said the calf would have topped any show he had judged so far.

In the Pee-wee division, made up of youngsters under the official 12 to 21 entry age of 4-H Clubs, Brian Scobie, a 12 year old boy from the Vulcan-West-Ensign club took the Grand Champion award for his Hereford entry. This was his second year in 4-H Club work with 29 calves in this competition.

Holding the matter of 912 pounds of Hereford calf which won Reserve Champion was an eight-year-old miss, Marlane Lucas, also of the Vulcan West-Ensign club. Although pretty much taken for granted by those familiar with stock, the casual way the youngsters work with their calves — most boys and girls are hardly shoulder high to the animals — would probably strike fear into those not familiar with farm life, but to the club, part of the training is breaking the calf to stand quietly and be led.

After lunch, which was catered at the arena by parents of 4-H members and Margaret Ann Jamison. Musical numbers were provided by the Grade 8 and 9 chorus, a vocal quartet from the Grade 9 class and a duet by Jean Hess and Linda Roebuck. Mrs. Paris very ably directed the musical portion of the program.

A very large number of parents and interested friends were on hand to view the fashion show and inspect the display of shop work. Lunch was served by the girls of the Home Economics classes.

members, Club President Lee Richardson and Claresholm Agriculturalist Ralph Trimmer presented trophies and awards to winners of the morning's events.

Following the awards about 500 spectators sat in the stands and gathered around the show ring to watch buyer and seller meet under the coaching of Auctioneer Warren Cooper.

Buyers were more plentiful this year and much appreciated support came from merchants of Vulcan who gave added strength to the sale by purchasing calves.

Results of the show are being compiled and will be published next week.

Elks Get Two Wins At Nanton

There are loud noises emanating from the Elks' baseball camp these days.

Two whopping weekend wins at Nanton are responsible and though they've been a long time coming it is welcome news.

A twin bill was played and from the 17-2 and 19-4 results one could assume the Nanton club had a real ball Saturday night and weren't functioning too well next day. Vulcan started the first game with two runs in the opening inning and hit everything Nanton

Dinton Fastball Team Has Winning Record

Dinton district has always fielded a strong fastball club, but this year promises to be their best, judging by their record of 11 straight wins and no losses to date.

In May they beat Aldersyde 5-0 and Gladys 10-0 and 25-5. In June they beat Blackie 25-5, Jeffries Calgary 8-3 and 23-2, Blackie 14-7, Aldersyde 4-1 and 7-4, High River 12-3 and Gladys Ridge 37-5.

The record shows 170 runs scored against 35 runs, for an average of over 15 runs per game for the team. Keith McKeage is manager and Art Maxwell is coach and the team will enter the provincial intermediate B playdowns.

pitcher Jack Scott offered from there on with the big build-up coming in the 6th when seven runs crossed the plate.

Elks' new pitcher, Warnick, went the full game and also started the second one until replaced by a Brant district boy, Sjodren who pitched no-hit ball for four innings. Warnick came back to the plate to dump the year's shortest homer in a close area over first base, during the game.

Vulcan's only recent loss came at the hands of Carmangay on Wednesday, June 17, when they went down to a 4-2 count.

The annual July 1st Sports Day here in Vulcan will see Lomond, Vulcan, Champion and Carmangay in action beginning at 12:30 noon.

Calgary Golfers Take Top Honors in Vulcan Tournament

The Vulcan Golf and Country Club Second Anniversary Tournament was a huge success despite the inclement weather conditions of a cool drizzly atmosphere. A total of 130 golfers from South Alberta Clubs took part in tourney with John Cook of the Bowens Club in Calgary winning the Men's Championship Flight with an 18-hole score of 75. One stroke back in second place was Ted Wellman of Calgary's Canyon Meadows while Brian Jenkins of Bowness and Chuck Pederson of Medicine Hat tied for third at 77. Ray Wellman of Vulcan won low qualifying honors with a nine hole 37.

First, second and third in other flights of twelve in the men's division were: First flight, John Adams, Turner Valley; Gordon Stauffer, Turner Valley; and Dave Boyd, also of Turner Valley.

Second flight: Herbie Berke, High River; Ron Marshall, and Glen Gorbous of Vulcan.

Third flight: Dick Hammer, Vulcan, followed by C. Jespersen, Turner Valley, and John Wolfe and Bud Haverty tied for third.

Fourth flight: Tom Wild, Jr., Turner Valley; Stan Hill, Calgary and Don Djuve, High River.

Fifth flight: Bob Petrosky, Vulcan; Joe Boutland, Vulcan, and H. McKay, Turner Valley.

Sixth flight: H. Lind, Nanton, with Ben Ball and Bill Burley of Brant tied with Adam Linton, Claresholm.

Seventh flight: Ken Bird of Turner Valley; Dale Keenan, Champion, and Carson McKay, Vulcan.

Eighth flight had G. Elder, D. Johnston and E. Hedley all of Turner Valley coping the prizes.

Winner of the Ladies' Championship Flight was Edna Leflar of Stavelly followed by Mrs. S. Hedley of Turner Valley and Daisy Keenan of the Vulcan club who also won the ladies' low qualifying honors.

First Flight winners were L. Horne, Vulcan; Ethel Banks, Vulcan, and Margaret Whitehead, Claresholm.

Second Flight: Ila Ball of the Vulcan club, followed by F. McKay, Turner Valley, and Jean Knutson, Claresholm.

By Large Majority

Peter Dawson Re-elected; Record Victory For S.C.

Peter Dawson, Member of the Legislative Assembly for Little Bow constituency since 1935 and Speaker of the House since 1937, almost doubled the combined total votes given his two opponents to gain an impressive victory in his constituency in the provincial election held June 18.

Final returns showed Mr. Dawson (Social Credit candidate) with 2,939 votes, Donald A. McNiven (Liberal) 603, and Dr. Bernard Tonken (Progressive Conservative) 989.

The Social Credit victory was the most sweeping ever gained by the party, practically wiping out the opposition. Social Credit won 61 of the 65 seats in the House and the opposition will consist of one Progressive-Conservative, one Liberal, one Coalition and one Independent Social Credit.

In Alberta, Social Credit received 56 per cent of the record vote of almost 407,000. Progressive Conservatives got 23 per cent of the vote and Liberals 14 per cent.

In High River-Okotoks, E. G. Hansell, formerly of Vulcan and M.P. in the federal house from 1935 till 1958, was elected as M.L.A., defeating the sitting Independent member, Ross Ellis.

In Little Bow, a comparison of figures with the 1953 provincial election shows that Mr. Dawson increased his vote total by 478, the Liberals dropped from 1,360 votes in 1955 to 603 this year, and the Progressive Conservatives showed an increase from 499 to 989.

In 1955, 4,320 votes were cast. In 1959, over 78 per cent of the eligible voters cast their ballots, the total being 4,531 out of 5,823 eligible voters.

REV. PETER DAWSON
Returned as M.L.A. for Little Bow with a large majority, Rev. Peter Dawson has represented Little Bow constituency since 1935 and has been Speaker of the House since 1937. A former resident of Champion, he now resides in Carmangay, where he is minister of the Carmangay United Church.

Fish & Game Assn. To Elect Officers

Attention is called to all members and those interested in Fish and Game activities to the special meeting of the organization on Monday night, June 29, at 8:30 p.m. Refreshments will be served.

Two preparatory meetings have been held recently acquainting members of the work and objectives of the Fish and Game bodies and so far 91 memberships have been sold. The only problem is that Vulcan's group is as yet without a president and directing body and this will be one of the duties outlined for the coming meeting.

At the most recent meeting of June 16, Dick Osterburg, vice-president of the Lethbridge organization explained the controversy going on over fees being charged for boating privileges on Chin Lake. Assurance has been received from government departments that such charges will not be allowed.

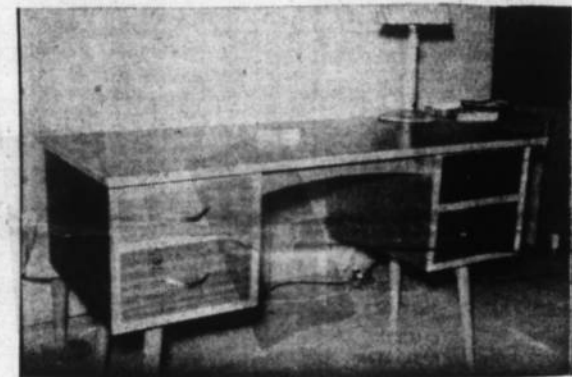

Another speaker, Ken Watt, also of Lethbridge gave a review of events and answered questions of the members. He showed a colored film on animal life in Alaska, to end the evening.

Graduates

WAYNE BENSON, B.Sc.
A graduate this year of the State University at Bozeman, Mont., Wayne Benson was born at Lomond and received his elementary education there. He attended Crescent Heights High School in Calgary before entering university. Attending the graduation exercises at Bozeman were Wayne's parents, Mr. and Mrs. E. M. Benson of Calgary, accompanied by Mr. and Mrs. Walter Welch and Miss Joyce Caulfield. Wayne, with his wife and small daughter, will reside in Calgary, where he has signed with the Stampeder football club.

A FINE EXAMPLE of the high quality work being turned out by Shop Instructor John Smith's students at the Vulcan High School is this modern desk built by Larry Graff of Vulcan. It is one of several pieces of work to be entered in the Calgary Exhibition this year.

Fine Work By Students

Impressive Display By Shop & Home Ec Classes

The remarkable achievements of Vulcan school's Home Economics and Shop classes were seen and admired by the public during the afternoon and evening of Wednesday, June 17, at the High School gym.

Half the gym space was filled for the display, with all manner of wood and metal work samples done by students of shop instructor, John Smith, this year.

The crowds wandering from one item to another had expected to see many samples of the usual magazine racks, wall brackets and lamp stands. While there were many of these well finished items on display, portraying perhaps the earlier stages of instruction, most surprising was the number of desks, cedar chests, upholstered chairs and stools and intricate coffee tables which had been made by the boys.

All work showed care in choice of wood, planning and construction and a finer finish than is sometimes found in professional productions.

Of the boys whose work was exhibited Mr. Smith explained that early in the course some theory is taken but most knowledge in this field comes from actually working with the materials and equipment.

Instruction begins in Grade 8 and continues to grade 11 but there is no set time when a student must be tackling particular phases of the course. Some students have natural ability and inclination towards this type of work and their progress can be much more rapid than others. The Grade 9 class was singled out as exceptional this year and turned out some of the finer projects displayed.

The variety of articles impressed

the viewers. A pair of water skis was shown, a crokinole board was set up, a plant stand and gun racks were on hand and two cedar chests were complete with paneled sides and the strong cedar aroma.

Several entries from the shop class won awards at the Calgary Exhibition and Stampede competition last year and Mr. Smith will be selecting articles to be judged in this year's exhibition.

Metal work is also taught and samples of rakes and food grates were shown.

A display by members of the physics class was demonstrated and the walls were covered with samples of art work done by students.

The Vulcan High School Auditorium was the scene of a very lovely fashion show on Wednesday, June 17, when the students of the Home Economics classes presented the showing of their year's work under the able direction of their teacher, Mrs. G. Ness.

The carpeted aisle was flanked with lilacs and the girls entered under an arch of flowers, to model a variety of garments, ranging from pyjamas, skirts and blouses in the Grade VIII class to party-wear and tailored suits in the Grade XI class. Excellent fit and high quality workmanship were the outstanding qualities displayed in the garments modelled. Every student taking a course in Home Economics participated in the fashion show and modeled at least one garment.

Commentators for the afternoon were Kathleen Haverty, Lyle McNaughton, Leone Jones and Louise Graham. Background music was provided by Sandra Schlerman, Jean Ann Matlock, Sherry Hayda-

CARMANGAY

Miss Marjorie Miller visited with her parents, Mr. and Mrs. Ken Miller last weekend.

Miss Underdahl spent last weekend in Calgary.

The Fire Department was called out at noon Thursday when fire broke out at the home of Mrs. Mina Green. Mrs. Greene was mowing her lawn and cut the propane pipe leading to the tank with her mower. A spark from the mower ignited the propane gas and

the pipe became a blazing torch. The firemen poured water on the tank and cooled it sufficiently to enable them to turn the tap off.

Felicity Club

The Felicity Club met at the home of Rita Wynn with 12 members and two visitors present. The song "Happy Birthday" was sung to Hazel Lundberg. Roll call was answered by identifying pictures of the members' parents.

It was decided to hold the annual club picnic on July 4, at the Little Bow Park. Virginia Smith won the raffle. Irene Smith provided the entertainment.

The next meeting will be held at the home of Elsie Krasman on Aug. 5. Roll call will be to bring something old.

The afternoon closed with a lovely lunch served by the hostess.

Community Shower

A community shower was held in honor of Miss Shirley Service on Friday evening in the United Church hall. A very enjoyable program consisting of accordion solos, singing trio, contests, story of Shirley's future and a piano solo.

Gifts were presented by Anne West and Loree Hauser. Those who assisted Shirley with the opening of the gifts were her grandmother, Mrs. Bond, Mrs. Ewing, her mother, Patricia Ann her sister, Mrs. Neilson and Miss Marjorie Miller.

CARMANGAY WEST

Mr. and Mrs. Len Bach, accompanied by Mr. and Mrs. Bach, Sr., of Calgary motored to Creston, B.C., over the weekend where they visited Mr. and Mrs. John Hedin and other friends.

Mr. and Mrs. J. Mifflin, Mr. and Mrs. J. Craig and Mr. and Mrs. Roy Craig were among those who attended the wedding of Mr. and Mrs. Davey Snyder, Champion.

Mr. and Mrs. Ivan Ohler attended the cattleman's convention in Miles City, Mont.

Mr. and Mrs. Bob Hubka and family visited the "Writing on Stone" Park on Sunday.

Mr. and Mrs. Dale Clark and Sharon visited relatives at Creston, B.C., over the weekend. Ralph Clark returned home with them, after spending a week at Carman-gay.

Vickie Knight is at home after having had a minor operation.

Chris Hubka took part in the music recital at Claresholm, her teacher being Miss Jean Waack.

Mrs. Rob Clark attended the workshop, which was held in the Southminster Church for church camp leaders.

Misses Linda and Donna Hubka, both pupils of Arnold Waack of Claresholm took part in the musical recital held in Claresholm on Friday night.

Mrs. Bob Hubka was hostess to the West Country Women's Club on Wednesday. There were five members and four visitors present. Aprons that were made for roll call were brought and worn. Mrs. Jo Bach won the raffle and the remainder of the afternoon was spent playing cards. Mrs. Mary Clark will have the next meeting.

SHOULDICE

Mr. and Mrs. Norman King and family of Swolwell and Mr. and Mrs. Jim Fowler and family of Calgary, visited Mr. and Mrs. Alvin Tario over the weekend.

Ball practice was called off on Tuesday because of the rain. 1.1 inches of rain was reported.

Howard Scott and Irene of Calgary were weekend guests at the home of Mr. and Mrs. Slim Sanders.

Mr. and Mrs. Frank Sims visited with relatives at Banff over the weekend.

Quite a few families in town attended the Milo Stampede and all had a good time.

ARMADA

Miss Hazel Beagle spent several days in the local hospital where she underwent surgery. Best wishes for a speedy recovery Hazel.

Mrs. Julius Salagulas was a patient in the local hospital last week. While Mrs. Salagulas was in hospital, Mrs. Amy Stokes took care of her baby.

There's a special sparkle, a satisfying tartness to cherries that makes them welcome in every jam cupboard. You'll find this quick, sure recipe results in Cherry Jam that always sets perfectly, and tastes as tempting as it looks!

CHERRY JAM

4 cups prepared fruit
(about 2 qts. ripe sour cherries)
7 cups (3 lbs.) sugar
1 bottle Certo fruit pectin

First, prepare the cherries. Stem and pit about 2 quarts fully ripe sour cherries. Chop fine. Measure 4 cups chopped fruit into a very large saucepan.

Next, make your jam. Add sugar to fruit in saucepan, mix well. Place over high heat, bring to a full rolling boil. Boil hard 1 minute, stirring constantly. Remove from heat, stir in Certo at once. Skim off foam with metal spoon. Stir and skim for 5 minutes to cool slightly, and to prevent floating fruit. Ladle into glasses. Cover at once with ¼ inch hot paraffin. Makes about 11 medium glasses.

Maybe you're just a bit confused about this substance called pectin! If so, let me explain: Pectin is simply the jelling substance found in all fruits in varying amounts. Certo is pectin extracted from fruits rich in this natural substance, then refined, concentrated and performance-controlled. Certo and the Certo tested recipes make your jam and jelly turn out exactly right.

You'd enjoy seeing our free 12-minute Certo film called "Jelly and Jam Session", which shows a homemaker like yourself making jam and jelly by the modern Certo method. This 16 mm. film is in full color, with sound, and I'll be happy to lend you a free print if you'll just write me—Frances Barton, General Foods Kitchens, 44 Eglinton Ave. W., Toronto.

Don't hesitate to drop me a line, too, if you run into any problems in your jam and jelly making. I'll do my best to help. And watch for my next column, with another failure-proof preserving recipe.

District News

MAJORVILLE

For a time on Tuesday evening just at supper time the district looked something like it must have looked at the time of the flood. Seldom has the rain fell with such force as it did that evening. In about one hour .60 inches of rain was registered on the rain gauge and during the night another shower or two registered .20. The moisture was a welcome relief from the hot dry winds and although it is generally agreed that so much moisture in such a short time is not so beneficial as a quiet rain it brought much needed moisture for crops and gardens. Some small hail accompanied the storm but was too small to do any damage. A hail storm that passed to the north of the store a week ago is reported to have damaged some flax crops but no other details are available.

Driving from one farm to another by truck last week, Billie Francis thought he could smell straw burning and upon glancing

to the north he noticed that someone was burning weeds near the Aubrey Gore field, so decided that, as the wind was in the north, that is what he could smell. As he reached the water tank and started to pump water he noticed smoke coming from under the hood of his truck. Investigating he found either the nest of a mouse or that of a bird had caught fire from the heat of the engine. Being near a water supply he was able to put the fire out before any damage resulted.

Mr. and Mrs. Jim Bayes of Trochu were weekend guests at the home of Jim's uncle and aunt, Mr. and Mrs. Jimmie Dew.

Friends will be glad to know that Jimmie Dew was released from hospital and well enough to start the horses on the day of the race meet at Lake McGregor last Saturday.

Visiting at the home of their parents, Mr. and Mrs. Bill Klemmele and also taking in the race meet, were Louis Klemmele and daughter, Wendy and Mrs. Jim Veer and

family of Cardston.

Mr. and Mrs. Bob Scott had the phone installed during the past week.

Sixty out of a total of 68 voters cast ballots in the Majorville poll on election day. Forty of the votes went to Mr. Dawson, five to Mr. McNiven and 15 to Dr. Tonken. At the Robertson poll held in the home of Mr. and Mrs. Bertschy, three out of eleven did not vote. Two of the votes were for Dr. Tonken and the remainder for Mr. Dawson.

Mr. and Mrs. Bert Clemmons and family were visitors during the week at the home of Bert's brother-in-law and sister, Mr. and Mrs. Art Klindinger of Ponoka.

Mr. and Mrs. Bill Klemmele left during the week for Kelowna, B.C., to visit the latter's mother, Mrs. Margaret Francis. Leona Klemmele of Lethbridge was a visitor to her parent's home on Thursday. Mr. and Mrs. Bob Hatley are looking after the farm while Bill is gone.

Mr. and Mrs. Lewis Greaves were visitors to Calgary during the week where they visited Lewis' mother who is in hospital there. Mrs. Greaves is reported to be slightly improved but will be in hospital for some time yet.

Returning from the weekly community auction sale a farmer met the local banker in town. "Wanna buy a half interest in the lawn mower I bought today?" he asked. "What did it cost you?" enquired the banker. "One dollar" was the reply. "Is it in good shape?" the banker wanted to know before committing himself. "Sure is," said the farmer. "Look." Following the farmer's pointed finger the banker looked and there comfortably surveying the main street from the crate trailer attached to the car was the lawn mower—a goat.

Mr. and Mrs. Bob Scott, Mrs. Bennett Dew and Bert Clemmons were among the participants on the float that won first prize at the race meet held at Lake McGregor on June 13. The float was sponsored by the Milo IOOF and Rebekahs Lodges and represented United Nations Youth Pilgrimage. The participants represented the various nations of the United Nations. The winner of the public speaking contest, Donna Bittorf of Milo, was also aboard the float representing the Queen.

QUEENSTOWN

A small crowd was reported at the Queenstown United Church Ladies' Aid tea and bake sale which was held in the Legion Hall on Friday of last week.

A six bushell quota became effective at Queenstown on Monday, June 22.

Red measles has been making its rounds in the Milo School the last few weeks. The latest victim in this district is Kenneth Wong who came down with them over the weekend.

The boys and girls who begin school in September attended school this week to acquaint them with school schedules and prepare them for the next step in their lives, school days. In the Queenstown district these included April Lothian, David Zaytsoff, Arthur Wong, Ian McCallum and Debbie Gooch. While the fall beginners are attending school the Grade one class is enjoying a week's holiday.

Sam McCord of Calgary visited at his son's home, Mr. and Mrs. Don McCords, on Tuesday of last week.

Mrs. Jack Bushell, Mrs. George Elder, Mrs. Clara King-Smith, Mrs. Corrie Taggart and Mrs. Bill Gooch attended the Women's Institute Regional Conference at Langdon on Tuesday, June 16. The Queenstown Branch won the T. Eaton trophy for the highest number of points in handicraft. The next Women's Institute will be held at the home of Mrs. Stanley Hagg on Thursday, July 2, at which time a full report of the conference will be given.

A heavy rainfall was reported at Queenstown on Tuesday evening with .60 inches of rain being reported by the Alberta Pacific Grain Co. gauge.

Gardens on the whole are reported much behind and germination not too good. Cause is believed to be the result of continual

The name of each saloon's a bar,
The fittest of its names by far.
A bar to heaven, a door to hell,
Whoever named it named it well.
A bar to manliness and wealth,
A door to want and broken health;
A bar to honor, pride and fame,
A door to sin and grief and shame;
A bar to hope, a bar to prayer,
A door to darkness and despair.
A bar to honored, useful life,
A door to prowling, senseless

strife;
A bar to all that's true and brave,
A door to every drunkard's grave;
A bar to joys that home imparts,
A door to tears and aching hearts;
A bar to heaven, a door to hell,
Whoever named it named it well.

also to save them to the uttermost
that come unto God by him..."

This minister
of agriculture
**has pony-

This young lad is really going places. He knows the value of a dollar — because he worked hard over the past year to buy this pony. He saved every penny and nickel by doing farm chores for his Dad.

While the Minister of Agriculture's budget at Ottawa runs into millions of dollars, he has to justify his expenditures down to the last cent.

His money comes through the Minister of Finance who gets it largely in taxes from Canadians such as you. When he spends more than he takes in, he must borrow from you ... or else create new money. The creation of new money is one factor that leads to inflation — which means your dollar buys less and less.

The government has been spending more than you have been paying in taxes. To narrow the gap between income and expenditures, new taxes have been imposed.

You can encourage the government to live within its income by asking only for those services you are willing to pay for with taxes. Tell your M.P. at Ottawa that since you are trying to save, you expect government to do the same.

You also help when you save more by means of life insurance, savings deposits, and the purchase of government bonds. Your savings help to create a SOUND dollar; and this, in turn, helps to create job security for you and more jobs for other Canadians.

LOMOND

Recent Sunday guests at the home of Mr. and Mrs. Guido Zambaldi were Mr. and Mrs. Les Castles and family of Lethbridge. Mrs. Molly Souveny and daughter Sylvia were recent weekend visitors in Calgary to attend a wedding.

Mr. and Mrs. Henry Lindstedt were in Lethbridge last week to see the circus.

Miss Jean Sokvitne is now at home for the school holidays. Jean attends school at Three Hills.

Best wishes for a speedy recovery are extended to Mrs. Fred Maronda, who is a patient in the Vulcan Hospital.

The annual strawberry tea bake table and bazaar, sponsored by St. John's Anglican Guild was held in the hall on Saturday, June 20. There was a very good attendance. Best wishes for a speedy recovery are extended to F. H. finished their work. A donation of

Thompson, a patient in the Vulcan Hospital.

The Lions Club are expecting a good turn out on Saturday, June 27, at our local Sports Day. Don't disappoint them. Fun for everyone.

Friends will be sorry to learn that Mrs. E. L. Hamm had been a patient in the Vulcan Hospital, and pleased to learn she is at home again.

Bethany Lutheran W.M.F.

The June meeting was held at the home of Mrs. O. T. Sande with 12 members and one visitor present. Pastor Foster gave the Devotional and also lead in prayer.

The correspondence consisted of a "thank you" note for a gift received from the club. The members voted to send the sum of \$50 as their share towards the purchase of a mission house in Saskatoon which will be a home for retired missionaries who have no other home to go to when they have finished their work. A donation of

\$15 is being sent to a TV station with a thank you note for their donation of free time to send over the air the story and pictures of a very interesting, religious play, "Through the Porthole" for children. This has been carried over 66 TV stations since it made its appearance three and one-half years ago and calls are out for more and more all over the U.S.A. and Canada. May they keep up the good work they have done and are still doing.

The meeting was closed with the hymn, "Abide With Me," followed by the "Lord's Prayer" in unison. A lovely lunch was then served by the hostess with the assistance of Mrs. V. Williams and Mrs. E. Johnstone.

The next meeting will be on September 16, at the home of Mrs. Lena Huff.

Birthday Club

The Birthday Club met at the home of Mrs. Henry Lindstedt on June 11, with 14 members and one visitor present. The opening song was "My Grandfather's Clock." As an answer to the roll call each member gave her guess as to whom her Sunshine Friend had been — a few guessed correctly.

Mrs. Ensign and Mrs. Lindstedt had audited the books and found them satisfactory. A statement from the FUA was read regarding the club's share in new tables and benches that were made. The secretary was instructed to make this payment. The balance of sewing material was distributed.

Since this was the annual meeting for the club the following officers were appointed for the coming year: President, Mrs. Lindstedt; vice-president, Mrs. Verne Volsey; secretary-treasurer, Mrs. Mary Crawford, and various committees remaining the same as last year with necessary substitutions.

It was decided to put a float in the Lomond Sports Day Parade. The draw for new Sunshine Friends took place. Mrs. Ensign won the nickel draw and she was also the honored birthday recipient. The meeting closed with the singing of "Home on the Range."

The hostess and assistants served a most delicious lunch to close a pleasant afternoon. The next meeting is to be held at Mrs. Mary Crawford's home with Mrs. Ensign in charge of the program.

BRANT

The Fletcher family held a family reunion picnic on the Highwood river on Sunday, June 14.

The students of the Brant Students' Union spent an enjoyable day picnicing and boating at Bowness on Friday, June 12.

A farewell party in the form of a wiener roast, was held for Mr. and Mrs. Clifford Jensen and family on Saturday, June 13 at Ross Kennedy's farm.

Gloria Jorstad has spent the past week in High River Hospital suffering from concussion. The accident occurred while she was playing on the school grounds near the swings.

Mrs. Gus Spanke of High River spent a few days recently visiting with her son-in-law and daughter, Mr. and Mrs. Floyd Olsen.

Mr. and Mrs. Don Arnor and Mr. and Mrs. H. D. Arnor arrived home on June 8, after spending two weeks visiting in Vancouver, Victoria, Seattle and Portland.

Mr. and Mrs. Gordon Brown of Seattle spent the past week visiting relatives at the Fletcher farm. Mrs. Cutler held a music recital at the Brant school on the evening of June 19. Pupils from Blackie and Brant took part in the recital. David and Linda Holde and William Ferguson spent Saturday afternoon picnicing at Okotoks with a group of young people from Calgary.

C.W.L. Meeting

The June meeting of the Brant C.W.L. was held at the home of Mrs. Messerli with ten members present.

Permission was given by A. Henery to hold the church picnic on his grounds. A cheque for \$50 will be given to Providence Creche in Calgary. Any members who have clothes for children ranging in age from infants to five years old, are asked to make up a parcel and send it to the Creche as clothes are urgently needed for the children.

Brant delegate, Mrs. E. M. Southgate, gave a very informative report on the 37th annual C.W.L. Diocesan Convention held in Banff this month. The theme for this year was "The Participation of the Laity in the Mass." All delegates agreed that Banff was the ideal location for future conventions.

The hostess prize was won by Mrs. Marie Gallagher. Lunch was served by Mrs. E. M. Southgate and Mrs. B. Heather.

Warman, a visiting missionary, who showed a film, "The Religious Beyond," after which the young people served a tasty lunch.

Catholic Women's League

The May meeting of the C.W.L. was held June 4, at the home of Mrs. H. Fath with 17 members, one visitors and Father Lemire present. Mrs. Buddy Bach was back and welcomed as a member.

Business matters were dealt with followed by a tape recording on "Alcoholism." This proved very interesting. The meeting was adjourned and a tasty lunch was served by Mrs. L. Strauss and Mrs. E. Pasoli. The June meeting will be held at the home of Mrs. Raymond Fath.

Sunday School Picnic

The annual picnic of the Evangelical Free Church was held Saturday, June 20, at Little Bow Park. A very enjoyable day was had by the 75 or so people who attended.

Dinner was served at approximately one o'clock. At 2:30 everyone gathered at the ball diamond where races for every age and of every description were held, these being in charge of Harriette Hoel and Tom Ruggles. Following these, the young boys and the men chose teams, while the girls and the women chose their teams, and the afternoon was spent playing softball.

Supper was served at 5:00 and the day came to a very enjoyable close. The superintendent, Don Steeves, expressed his thanks to all present for helping to make the afternoon a success.

Decide in favor of your LIVESTOCK

Hayliner 68, fastest baler of its class, treats hay gently... packs evenly to make green, leafy, even-drying bales of Quality Hay!

Put a Hayliner 68 to work on your farm right now. Then watch your livestock enjoy the tastiest, leafiest bales they've ever had. See how milk and meat yields go up... supplemental feed costs go down. Flow-Action makes the difference! New Holland's exclusive hay handling action prevents clogging... saves leaves... makes bales of uniform density for fast drying. Compact, low slung, the Hayliner 68 has fewer moving parts. Maintenance is easier and cheaper. Choice of engine power or P.T.O.; twine-tie or wire-tie models. Since its introduction last year, more farmers have bought the "68" than any other baler!

These "Hungry" High Capacity Balers give the best baler value in the industry but are priced down for the economy buy. In the "67T" and "S68T" in the popular size and a high capacity "S78T" for the custom baling operator.
